Title: Securities Exchange Act Disclosure Rules.

OMB Control No.: 1557-0106.

Abstract: This submission covers an existing regulation and involves no change to the regulation or to the information collection requirements. The OCC requests only that OMB approve its revised burden estimates.

The Securities and Exchange Commission (SEC) is required by statute to collect, in accordance with its regulations, certain information and documents from any firm that is required to register its stock with the SEC.¹ Federal law requires the OCC to apply similar regulations to any national bank or Federal savings association similarly required to be registered with the SEC (generally those with a class of equity securities held by 2,000 or more shareholders).²

¹ 15 U.S.C. 78m(a)(1).

² 15 U.S.C. 78l(i).

12 CFR part 11 ensures that a national bank or Federal savings association whose securities are subject to registration provides adequate information about its operations to current and potential shareholders and the public. The OCC reviews the information to ensure that it complies with Federal law and makes public all information required to be filed under the rule.

Type of Review: Extension of a currently approved collection.

Affected Public: Individuals; Businesses or other for-profit.

Frequency of Response: On occasion.

Estimated Number of Respondents: 44.

Estimated Total Annual Burden: 332.02 hours.
